

# HP Premium Satin Photo Paper

Step up your photo printing with a premium satin material that delivers both excellent image quality and long-lasting display permanence. With accurate color—from proofs to photos—and quick color stability, this FSC®-certified paper delivers.

## Give your ideas a photo-realistic finish

Bring concepts to life, move quickly through proofing, make winning presentations. With an excellent color gamut, HP Premium Satin Photo Paper puts a photo-realistic finish on your images—and your ideas.

## Produce durable, long-lasting display prints

See beautiful results that last for generations with 50 years display permanence indoors, away from direct sun<sup>1</sup>. Designed together with Original HP inks, this paper is ideal for proofs and photos on HP Designjet T series printers.

## Gain versatility, reduce your environmental impact

Do more with your printer—from proofing and presentations to POP and retail displays, this premium photo paper enables greater versatility. And you can look to this FSC®-certified paper to help you meet your environmental goals.
