

HP Wireless Mouse Z3200

An all-terrain mouse for the road warrior

A small profile and powerful tracking, powered by blue optics, make the Z3200 the mouse that works where you do - on surfaces like marble, granite, and carpet.

The 4-wheel drive of mice

- The combination of its powerful blue light beam and high-precision optics allow this mouse to work on nearly any surface.

Easy to install

- Simply plug in the USB receiver and begin using.

Easy to use

- Its small size easily fits in your hand. It has only the features you need, making using it easy and delightful.
